

Free poster print and delivery service 50th ERA-EDTA Congress 2013

Dear colleague,

Congratulations on having your abstract approved by the Scientific Committee of the ERA-EDTA for this year's 50th ERA-EDTA congress in Istanbul on 18th – 21st May. ERA-EDTA are pleased to confirm that once again they will be working with [PosterSessionOnline](#) to provide presenters with the opportunity to have their **posters printed and delivered free of charge** to the congress venue. This service is supported by a grant from Takeda Pharmaceuticals International GmbH.

If you take advantage of this service, your poster will be printed to the highest professional standard and you will be able to pick it up from the Takeda Hospitality Suite, Istanbul Congress Center, at your convenience during the meeting.

As an added value service, all posters created by this service will be automatically added to a VIRTUAL POSTER GALLERY following the meeting. This is a new opportunity for you to ensure that your poster gets maximum exposure. **We encourage all authors to submit a poster online to maximize the content of this resource.**

To benefit from this service, presenters should:

STEP 1: Prepare your poster in PowerPoint or PDF, 1 page or slide, set up 90 x 130cm portrait (vertical)
